FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

Analysis

SB 104 amends AS 37.05.590 to change the amount of filing fees received by the Alaska Court System during the prior closed fiscal year that may be appropriated to the civil legal services fund from 10% to 25% .

In the Governor's FY2024 request, civil legal services funds are appropriated to the department as a grant to the Alaska Legal Services Corporation. The current language appropriation in the Governor's request is based on 10% of court filing fees collected in FY2022. In FY2022 a total of \$3,012.1 was collected by the Alaska Court System in civil filing fees; 25% of that amount is \$753.0.

Existing fund capitalization language included in the Governor's FY2024 request would need to be amended to reflect the revised amount.

Grants to named recipients in the operating budget are administered by the Division of Community and Regional Affairs.
